Request for Waiver

I am requesting a waiver of the FCC Form 471 application Item 21 attachment filing window deadline for the funding year 2011 due to an inadvertent error.

Argument

In 2006 and 2007, in the *Bishop Perry Order* and the *Academy for Academic Excellence Order*, the Commission and the Bureau, respectively, granted waivers to applicants who missed the FCC Form 471 filing window deadline due to technical malfunctions, school reorganizations, a misunderstanding related to the filing deadline, personal staff emergencies, inadvertent errors, or circumstances beyond their control, including inclement weather.

On March 23, 2011 I submitted electronically Form 471# 811088. At the same time I created the following online Item 21 attachments:

FRN	Attachment #
2204541	Y14AT&T_LD
2202805	Y14EPB
2204591	Y14SCRTC_Internet
2202760	Y14SCTRC_Local

I was certain that I had submitted these Item 21 attachments properly and within the FCC 471 filing window. It was not abundantly clear as the Item 21 attachments were saved, that saving them was not adequate to complete the submission process. Please note that these Item 21 attachments had to have been completed within the filing because it is impossible to create them after the window closes. I did receive the letter reminding me to submit the 471, but as I mentioned earlier in my mind I had already submitted my 471 and Item 21 attachments correctly within the filing window.

I respectfully ask that you consider application 471# 811088 Item 21 Attachments "In Window" due to this inadvertent error.

Sincerely,

Anthony Gilbert

Application Number 811088

The Program Integrity Assurance (PIA) team is in the process of reviewing all Funding Year 2011 Form 471 Applications for schools and libraries discounts to ensure that they are in compliance with the rules of the Universal Service program. We are currently in the process of reviewing your Funding Year 2011 Form 471 Application. To complete our review, we need some additional information. The information needed to complete the review is listed below.

1. We have completed our review of your Funding Year 2011 Form 471 application **811088** and have determined that FRN(s) **2202760, 2202805, 2204541, and 2204591** will not be funded because the Item 21 attachment to support *these* FRN(s) was not received on or before the filing deadline. For FY2011, Program rules required that Item 21 Attachments were to be submitted on or before May 17, 2011.

If you believe that the FRN(s) should **not** be denied and you have supporting documentation to show proof of your Item 21 attachment submission on or before May 17, 2011, please provide this documentation. Examples of acceptable documentation are proof of mailing or your submission (e.g., post-office receipt, actual email and/or fax with confirmation page). In addition to proof of submission, please submit an EXACT COPY of the Item 21 Attachments that were previously submitted.

Please fax or email the requested information to my attention. If you have any questions or you do not understand what we are requesting, please feel free to contact me.

Should you wish to cancel your Form 471 application(s), or any of your individual funding requests, please clearly indicate in your response that it is your intention to cancel an application or funding request(s). Include in any cancellation request the Form 471 application number(s) and/or funding request number(s), and the complete name, title and signature of the authorized individual.

Thank you for your cooperation and continued support of the Universal Service Program.
